Chit-chat Sessions with Mr. Bates

與外籍老師談天

Lunchtime is fun-time when you're chatting with our NET Mr. Bates! Beginning in March, Form One students have the opportunity to enjoy some lunchtime conversation with, Mr. Bates.

The conversation is easy and informal, and students are welcome and encouraged to bring their own topics. Do you want to talk about food? School life? Foreign travel? Each session lasts about 20 minutes, and best of all, no homework is required!

This is an exciting and fun opportunity to practice your English speaking skills with a native speaker, and to get to know your NET teacher better. Don't miss out!

It is great fun talking with Mr. Bates.

Talking to foreigners is not as intimidating as we thought.

A Live Interview with Mr. Bates

外籍老師 Mr. Bates 的訪問

Meet our MC Ernest Yeung (4A) and our reporters Sean Lo (4A), Dragon Tang (4A) and Doris Lau (4B).

The covered playground is packed with Mr. Bates' fans.

Questions from the audience are welcome.

A big applause to our English Campus Reporting Team

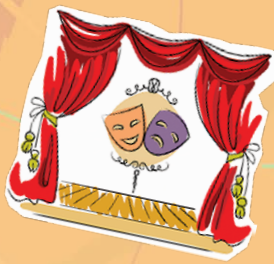

The live interview with our NET Mr. Bates was the first event of this academic school year for the English Campus Reporting Team. The team worked hard to prepare for the interview, and every team member had a job to do.

The interview was presented live in the covered playground. It was also broadcast over the school's PA system, so that everyone could watch and hear. The reporters did a wonderful job, delivering their prepared questions smoothly and professionally, and composing brilliant follow-up questions on the spot.

It was a great success, and many students and teachers commented positively about it. Besides giving students a chance to practice their interviewing and public speaking skills, the English Campus Reporting Team also brings a sense of excitement to our campus!

The Pre-drama Workshop — Les Misérables

話劇《孤星淚》的演前工作坊

During the week of March 7th, Form Four and Form Five students attended a non-musical production of Victor Hugo's famous story, "Les Misérables". Prior to the performance, students were able to participate in a pre-show workshop with the cast and crew of the play.

Students were engrossed in the timeless story, and also learnt to value the great skill and effort that go into staging a professional, theatrical performance. This is an exciting and invaluable opportunity to enrich learning through exposure to the theatre.

We knew more about the production of a drama after the workshop.

Our queries were answered in the Q & A session.

Do you agree that we are talented actors and actresses?

We enjoyed the fun activities so much.

Lunchtime Movie Theatre

午膳電影院

Beginning March 14th, a fun new English learning opportunity is available to students. It's movie time! Each Monday during lunch, students are able to join in the fun of movie-watching in the English room. Everyone is invited to enjoy their lunch while watching a film.

There is a wide variety of movies shown, covering almost every genre. This is a great opportunity to hear native English speakers, and to be entertained at the same time. Students are allowed to enjoy their lunch as they view the movie. However, they are asked to be careful, and to clean up afterwards. How exciting! A movie with your lunch! Be sure to drop by, and bring your friends along!

Pizzas and coke add extra taste to the film 'Ella Enchanted'.

Good News in 67th Hong Kong Schools Speech Festival

第67屆學校朗誦節得獎消息

We are very proud of our S5 Choral Speaking team. This year they were very dedicated, and made a lot of effort to learn their lines well, and to deliver them effectively. Students spent their free time to learn William Shakespeare's famous speech "All the World's a Stage". With the help of their teachers, the students quickly learned the 28-line poem. They learned to focus on stress, intonation, and pronunciation. They also learned to make synchronized gestures.

The day of the competition was very fun. The students and teachers rode a big bus to downtown Tai Po Civic Centre, where the competition was being held. It was very educational to see how the other schools performed the same poem, again and again. It seemed that there were many ways to interpret the mood and the meaning of the famous poem. Of course, the best part was taking the third-place win!

What a devoted team!

Congratulations to our S5 Choral Speaking team.

S6 Interschool Oral Practice

中六聯校說話練習

The interschool oral practice provides an opportunity for students from different schools to practise the Speaking paper part of the DSE. During this school year three practice sessions have been held; one with Hong Kong Teachers' Association Lee Heng Kwei Secondary School and two with TIACC Woo Hon Fai Secondary School.

Having the chance to practise with students from a different school provides an opportunity to hear different voices, different opinions, and different ideas. It is also a great way for students to meet new friends, and learn more about their community.

Our students are having the practice with the students of TIACC Woo Hon Fai Secondary School at their school.

It is time for comments which help students recognize their areas of improvements and do better next time.
