# English Benchmark International Collaboration 國際英語合作交流

Meet our multinational judge panel.

On 14 December 2017 students from several schools in Malaysia visited LPY in order to participate in the English Benchmark International Collaboration. The storytelling competition was very entertaining. The well-rehearsed Malaysian students had the audience laughing and cheering with their hilarious and compelling performances. Our own LPY students had their moments to shine as well, performing the choral speaking piece they had learned earlier in the school year. It was a great opportunity for both performers and the audience to share in a multicultural experience.

We are honoured to have Mr Bates and Mrs Hung to be our MCs.

What a lively introduction!

4A Felicia Yam excels herself in the public speaking competition.

Please take this as a token of our gratitude.

Our visitors give an impressive performance.
