

Public Speaking Competition 公開演講比賽

Jeason Wei, from Form 5B, delivered a conversational-style speech 'Ocean, the origin of us' about the health of Earth's oceans, and how human health is connected to ocean health.

William Huang, from Form 5A, performed a speech entitled 'Global warming is a global warning' with several dramatic elements. William's speech was a strong warning about the future of climate change.

Emma Lin, from Form 5B, won the 2nd place award with 86 marks for her brilliant and compelling speech "Music of Life" about how music can be a common language for all people.

Kay Lao, from Form 5B, focused on the environment, and the serious problems we face. Her speech, titled "Give Us a Second Chance" was both entertaining and thought-provoking.

Several S5 LPY students participated in the 70th HK Schools Speech Festival's Public Speaking Competition in November 2018. The theme of the competition was "Nature is a Common Language". Our school was fortunate to have the help of Mr. Eric Au, who is a former teacher and a member of the Toastmasters. Toastmasters is an organization devoted to improving public speaking. Along with two other professional trainers, Mr. Au helped our students find their own excellence!

AFS Intercultural Fair 國際文化節 2018

Date: 24th November 2018 (Saturday)

Location: Maryknoll Fathers' School

Organizer: AFS Intercultural Exchanges Limited

Aim: To help students from different local schools learn more about other cultures

Each classroom was converted into a "mini embassy" where natives from other countries gave presentations about their homes. Countries from all over the world were represented, including Switzerland, Germany, Taiwan, Mexico, and Pakistan! It was a great opportunity for LPY students to reach out and participate in their community.

Joint School Oral Practice

聯校英語說話練習

The Joint School Oral Practice, held on a Saturday in January this year at Cumberland Presbyterian Church Yao Dao Secondary School, was a huge success. Practising group discussion for the DSE is difficult, but students had a great time working with their peers from other schools around Hong Kong. Following the practice session, two NET teachers briefly spoke about how well the students performed, and gave suggestions on how to improve their speaking skills in the future.
